Subject: Interview Request -- Scripps Howard News Service

Dear Mr. Schmick,

My name is Isaac Wolf, and I am a reporter at Scripps Howard News Service, the Washington bureau for TV affiliates and newspapers around the nation.

I am writing to alert you that, in the course of conducting google searches on TerraCom, I stumbled across numerous completed Lifeline applications from TerraCom and YourTel which are posted freely online. Many of these applications include full Social Security numbers, dates of birth and other identifying details. An example is here: WEBSITE REDACTED

My broadcast colleague, Jim Osman, and I have many questions about this. We request an on-camera interview with you next week, preferably on Wednesday or Thursday. We are happy to come to your offices Oklahoma City.

We are working under tight deadline, and look forward to your response to our request for an on-camera interview as soon as possible.

Thank you for your consideration.

Most sincerely,

-- Isaac
